

DMIT1530 Assessment One - Take

Weight: 15%

Introduction

The student will recreate the website "Take" based on the psd provided. The completed site must demonstrate well-formed and structured html markup while writing clear and efficient CSS.

Submission

Zip your project folder and upload it to Moodle before the due date.

Note: Assignments where any link generates a **404 – File or directory not found** error will receive a grade of zero. It is your responsibility to have your web site working correctly.

LATE ASSIGNMENTS WILL NOT BE ACCEPTED!

Marking Guide: Summative Assessment One – Take		
Tasks	Value	Total
Look (10 marks) <ul style="list-style-type: none"> The developed site utilizes a 100% width web page with centered aligned content The header closely resembles the design comp. The main closely resembles the design comp. The footer closely resembles the design comp. Colours and sizing of the content in the header is equivalent to the Photoshop design comp Colours and sizing of the content in the main is equivalent to the Photoshop design comp. 	1 1 5 1 1 1	
Fonts (6 marks) <ul style="list-style-type: none"> Utilizes web font “Open Sans” as specified in the Photoshop design comp. Utilizes web font “Young Serif” as specified in the Photoshop design comp. Utilizes Font awesome for all social media icons. Appropriate hover effects required. 	2 2 2	
The typography of the web page is equivalent with the Photoshop design comp and will demonstrate the following font properties on the appropriate content objects (0.5 marks each = 5) <ul style="list-style-type: none"> Size of text Thickness of text Letter spacing of text Capitalization of text Word Spacing Style of text Line indentation of paragraphs Capitalization variants of text Alignment of Icons Colour 	5	
Images (5 marks) <ul style="list-style-type: none"> Background images are used where appropriate and styled correctly 	5	
Deductions (maximum of 5 marks deducted) <ul style="list-style-type: none"> Class framework not used Validation errors (HTML) Validation errors (CSS) Spelling mistakes Inappropriate css selectors 		
This assessment is worth 15% of your final mark	Grand Total	26
